

GRMI RETIREMENT SAVINGS PLAN

INSTRUCTIONS FOR FILLING OUT YOUR ASC APPLICATION

1) When putting in your paycheck deduction information on the top left corner, please put whole numbers. For example, you can put 1%, 2%, 3%, 4%, 10%, or even 100%. Please do not put 1.7%, 2.31% or any other amount with numbers after the decimal point. Use whole numbers only. Please note the % deduction is calculated against your gross pay, meaning before tax and allotments. The GRMI will match your contribution, however, it is capped at 3%. Please see table below for guidance:

Your Contribution	GRMI's Contribution
1%	1%
2%	2%
3%	3%
4% and above	3%

2) Use RMI Social Security Numbers. If not available, you can use your US Social Security Numbers. If you or a beneficiary does not have social security number, you can leave it blank for now while you work on providing beneficiary's RMI social security number at a later time.

3) If there is not enough space on page 1 of the application for all your beneficiaries, please use the "continuation of beneficiaries" sheet provided on the last page of application and list the remaining beneficiaries with their full names, date of birth, social security numbers, relationship to you, and the share %

4) Leave the "Authorized Plan Administrator" at the bottom right corner blank

5) Illegible handwriting and/or missing information may result in delayed processing of your application so please print clearly and ensure all required information are filled

OTHER INFORMATION

Please allow some time for ASC Trust to email you on the email address you provided on your application. They will give you instructions on how to log into your ASC online account. From there you will be able to keep track of your investment.

For missed payments (for example, you're on leave but have no more vacation/sick hours), your ASC account will remain as is with no penalty. You can always continue with allotments when you go back to work.

Although ASC does offer other services such as withdrawal out of your investment, the GRMI Retirement Savings Plan does not have that service under its plan. It is strictly a savings plan to prepare you for retirement. In the event that you have not reached retirement but want to discontinue with the plan, you most certainly can. Just contact PSC/PSS and inform them. From there, they will request MoFBPS to stop deductions. Please read Plan Vesting on how much to expect to receive out of your Employer Share depending on the number of years of GRMI Service.
