PUBLIC SERVICE INSTRUCTION
2009/01

Procedures for Recruitment

This Public Service Instruction 2009/01 is issued in terms of Regulation 79 of the new Public Service Regulations.

1. It is now required by this Regulation 79 that before a person is appointed to the public service or engaged under a special contract, he or she must submit to the Public Service Commission a health certificate indicating that he or she does not have:
 - a) HIV/Aids;
 - b) TB; or
 - c) A contagious or communicable disease as notified by the Secretary of Health.
2. If a person does not have a clear health certificate, the Commission shall determine whether it would be in the best interest of the Republic to hire the prospective candidate and after due consideration, inform the candidate of its decision.

This Public Service Instruction 2009/01 is effective immediately.
